IMPORTANT NOTICE TO CUSTOMERS

UK TRANSPORT FUEL SURCHARGE

As a result of the escalation in overall fuel prices, we have regrettably had to take action to increase the level of our existing fuel surcharge from 20.75% to 22.25% for collections and deliveries on or after the 1st February 2011.

We will continue to keep the level under constant review and make further adjustments as appropriate according to the prevailing fuel costs.

Should you require further information please do not hesitate to contact the relevant trade department on 01473 277777

We thank you for your continued support and understanding.
